

Wh-Questions in Past:

Wh-questions in past are questions that begin with a wh-word (who, what, where, when, why, how) and are used to seek information about past events or actions.

Structure:

1. Wh-Word + Auxiliary Verb (Did) + Subject + Base Form of Main Verb
 - Example: **Where did** you **go** yesterday?

Examples:

1. **What did** she **eat** for dinner last night?
2. **Where were** you **on Monday**?
3. **Why did** they **leave** the party early?
