

PREPOSITIONS

Prepositions are words that show the relationship between a noun or pronoun and other words in a sentence. They indicate location, direction, time, and other relationships. Here are some common prepositions:

1. **In:**

- Used to indicate location within a place or a period of time.
- Example: The book is **in** the drawer. She was born **in** June.

2. **On:**

- Indicates location on a surface or a specific date.
- Example: The cat is **on** the roof. We have a meeting **on** Monday.

3. **At:**

- Used to specify a particular point in time or place.
- Example: They arrived **at** the airport **at** 9 AM.

4. **Under:**

- Indicates location beneath or below something.
- Example: The keys are **under** the table.

5. **Over:**

- Shows movement or position above or covering something.
- Example: The plane flew **over** the mountains.

6. **Between:**

- Indicates the relationship of two things that are distinct or separate.
- Example: He stood **between** Mary and John.

7. **Behind:**

- Indicates the position at the back of something.
- Example: The car is parked **behind** the house.

8. **During:**

- Indicates a period of time in which something happens.
- Example: We met **during** the summer vacation.

Summary Chart:
